

HDPE

Project: Plastic Wall Partitioning System – Holsworthy Barracks

Client: GHD Pty Ltd

Contract Value: \$183,000

Completion: Completed in January 2008

Details:

Fabrication of HDPE Plastic Wall Partitioning System

Comprising of:

- 35 Door Panels
- 50 Double Wall Panels
- 5 Window Wall Panels
- 50 Single Wall Panels
- 300 Partition Connectors

All panels were made from a specially designed Jig which ensured uniformity throughout the project and will enable CECK to continue manufacturing replacement parts that will always fit with the least amount of installation.
