

HDPE

Project: Plastic Wall Partitioning System – WA Police

Client: Western Australia Police Department

Contract Value: \$18,000

Completion: Completed in May 2008

Details:

Fabrication of HDPE Plastic Wall Partitioning System

Comprising of:

- 6 Door Panels.
- 6 Double Wall Panels.
- 6 Single Wall Panels.
- 60 Partition Connectors.

All panels were made from a specially designed Jig which ensured uniformity throughout the project and will enable CECK to continue manufacturing replacement parts that will always fit with the least amount of installation.
